## How does the process work?

- The injury must be a musculoskeletal injury and it must have occurred whilst travelling directly to and from a game, during a game, training or whilst on recognised referee's society business.
- The individual must be unable to perform their referee duties (which include training and performing in games) for 5 days before being able to access the service
- Once you have sustained an injury you visit <http://www.iprsphysiocare.com/enquiry/individual/thereferreesassociation.aspx> and complete the Referral Form online
- IPRS will then be in contact with you to begin the process
